

WiSACWIS Release Notes

Release 3.1.1 – 02/02/2002

Maintain Service Types

1. On the Service Specifics Tab of the Maintain Service Type and Rate window, the Reporting Category drop down is enabled when modifying a service type.

Approval of Placement Ending

1. On the Service Ending window, the approve option is no longer disabled when workers attempt to approve the end of a placement.

Case Notes

1. On the Case Notes window, when saving a complete case note (with all required fields filled), the user will no longer be prompted to fill in the required fields.
